Geo Data
© Information Technology Park,
Vietnam National University (VNU-ITP), 2007

Scale / Reference System

0 10 20 30 40 km

Scale: 1:500.000

Geographic coordinate system:

Projection: *Geographic (DMS)*
Spheroid: *WGS 84*
Datum: *WGS 84*

Interpretation

The map displays the flood maximum extension for the whole MK Delta. The flood year 2000 was used for the simulation under the assumption of 45cm rise of sea level
